Competition for the school districts in Osborne County

During the month of February, "Love Your County" coin jars will be placed at each participating classroom.

The class raising the most funds per student will win a pizza party for the class. The school district that raises the most funds per student enrolled, will win the "Love Your County" traveling plaque!

During the month of February, the Dane G. Hansen Foundation has agreed to match any gift in Osborne County (\$5,000 cap per individual) up to \$50,000 to go towards our local endowment fund. This means your gift of \$1 will be doubled!! All gifts will be placed in an endowment fund so the Osborne County Community Foundation can begin now and give grants for years to come.

\$1 + \$1 = \$2

By working together, we can achieve more.

If you have any questions, concerns or would like to donate, please feel free to contact the Osborne County Community Foundation by email at OsborneCCF@gmail.com
