

Does your vehicle meet the Commercial Motor Vehicle definition? If so, this message is for YOU!

A commercial vehicle is any self-propelled or towed motor vehicle used in commerce to transport property or passengers when the vehicle:

- has a gross vehicle weight or gross combination vehicle weight of 10,001 pounds or more, or;
- is designed or used to transport 15 or more passengers, including the driver, or;
- is used to transport hazardous materials in a quantity that requires placarding.

If your vehicle meets this definition, your registration will change to **COMMERCIAL** beginning **January 1, 2014**. If you do not have a U.S. DOT number, you must get one. If you have one, it must have been updated within the last 12 months. You can apply for and update U.S. DOT numbers at www.safersys.org.

Ask your county treasurer's office if it offers commercial vehicle registration, or look online at www.truckingks.org to find an office near you that offers this service.

For more information, visit the **Commercial Vehicle Registration** section on www.truckingks.org, or call the **Commercial Motor Vehicle Office** at **785-296-6541**.
